

2019 Regulation School

Elster American Meter

Nebraska City, Nebraska

July 16-18, 2019

Honeywell American Meter is offering a 3 day Regulation School at the Honeywell Facility in Nebraska City. The school will begin on Tuesday, July 16th and conclude on Thursday, July 18th. This school will cover both spring-loaded regulators and pilot-operated regulators so everything from simple domestic regulators up to the Axial Flow Valves and the 5020 will be on the agenda.

Registration is limited and priority enrollment will be given to registrations accompanied by credit card or check. Registration are due by June 14. Due to limited availability, a waiting list of interested individuals will be made in the event of cancellation.

Accommodations are available at the Lied Lodge in Nebraska City for a special rate of \$109 plus tax per night. Please identify with Honeywell when reserving your room. Reservation must be made by June 14 to get this rate. A Welcoming Reception will be held at the Lied Lodge starting at 6:00 pm on Monday, July 15. Transportation will be provided between the Lied Lodge and the facility.

The school will feature both classroom lecture along with hands-on sessions.
